Breeders Note:

Owning and caring for a Welsh Springer Spaniel is a long term commitment often for 12 to 15 years and sometimes longer and I do not want to leave the placement of one of my puppies/dogs to luck. The questions in this questionnaire are not meant to be an invasion of your privacy but are used strictly to ensure that my puppy / dog is going into a suitable loving home where the prospective buyers have taken the time to consider the aspects of owning and caring for a puppy / dog for the long term.
